# Benefits to power your best life

One of the key pillars of NXP values is growth, focused on the personal growth of our employees from every perspective, including physical, mental and financial wellness. That's why we're rewarding you with benefits that protect your health, help you build savings for retirement and advance your quality of life. This year, NXP will continue to work with UnitedHealthcare for your 2025 health plan benefits, continuing to offer you multiple options to get connected to your physical, emotional and financial well-being. Take time to get to know all of your benefits and learn about the enrollment process. By understanding your options, you'll be able to make choices that provide you and your family with the greatest value.

## Brief overview

By choosing NXP as your employer, you've become part of one of the world's most dynamic semiconductor companies. You'll be working with motivated professionals and a dedicated management team, with the tools to advance both your productivity and your career. Be prepared to move boldly, accept responsibility and share in the rewards that come from world-class teamwork. You can come to work every day knowing you have a benefits program that is both market-competitive and responsive to your needs. Welcome to NXP.

## Your NXP benefits

This guide will give you details on the following benefits:

## Meet NXP's new health & welfare administrator – Businessolver!

Businessolver will be where you make your 2025 annual enrollment elections and where you will go for ongoing benefits support effective January 1, 2025.

## Questions?

Please call the new NXP Benefits Service Center at **(888) 532-3971** beginning October 29, 2024, for support with your 2025 benefits. You may also chat with Sofia, your virtual benefits assistant, at [mynxpbenefits.com](https://mynxpbenefits.com) or via the MyChoice benefits app. (SSO available at [nxp.com/benefits](https://nxp.com/benefits))

## Insurance enrollment information

### Enroll within 30 days of your start date

You can make your NXP benefit elections online or through the NXP Benefits Service Center after your NXP start date. You will receive an "NXP Benefits Enrollment" email at your NXP email address, usually within 10 business days from your start date. If you need help enrolling or have questions before you are prompted to enroll, please contact the NXP Benefits Service Center at **(888) 532-3971**.

Your NXP health coverage is effective as of your NXP start date. If you incur health or pharmacy claims before enrolling or receiving your identification cards (ID cards), please save your receipts and file a claim directly with your carrier once you receive your ID cards.

You must complete your enrollment within 30 days of your start date or the default enrollment options listed below will apply.

### Default enrollment

If you don't complete your benefits enrollment within 30 days of your start date, you will be automatically enrolled in:

- › Medical Plan 1 (HSA-eligible), with coverage only for you, as outlined on the UnitedHealthcare medical coverage options chart on [page 10](#) of this guide.
- › NXP-paid basic life, business travel accident, AD&D, and short- and long-term disability insurance. Please be sure to designate a beneficiary.

You will not be automatically enrolled in any other programs.

## 401(k) enrollment information

### Enroll within 35 days of your start date

If you are eligible, you may begin contributing to the NXP 401(k) Retirement Plan as soon as administratively possible, usually as of the third pay period after your start date. You are eligible to receive company-matching contributions as soon as you begin contributing. For more information, review the "Savings and Wealth" section of this guide ([pages 32-35](#)).

You must complete your enrollment within 35 days of your start date or the default enrollment options listed below will apply.

### Default enrollment

If you don't complete your enrollment in the 401(k) plan or opt out within 35 days of your start date, you will be automatically enrolled in:

- › NXP 401(k) Retirement Plan, contributing 5 percent of your eligible compensation on a pre-tax basis. Your contribution percentage will automatically increase 1 percent each year until you are contributing 15 percent of your eligible pay.
- › Your 401(k) contributions and the related company match will be invested in the age-appropriate target retirement date fund.

## ID card information

You should receive your ID cards within two weeks of your enrollment. These cards will be mailed to your home address.\*

If you need health care services or treatment (for example, a visit to the doctor or hospital, lab work or a prescription) before receiving your ID cards, you can confirm your coverage by calling your health plan administrator directly. You can register on the web addresses below about five – seven business days after you have enrolled in NXP benefits. Once registered, you can print or call to request temporary ID cards to use.

- › UnitedHealthcare (medical): **(844) 210-5428** or online at [myuhc.com](https://myuhc.com)\*

\*If you are an existing UnitedHealthcare member enrolled in a medical plan provided by NXP and have elected paperless for required communications, you will not receive a physical ID card in the mail. You can access your digital ID card on [myuhc.com](https://myuhc.com) or the UnitedHealthcare® app. You may also call UnitedHealthcare to request a physical ID card.

- › CVS Caremark (prescriptions): **(877) 505-8360** or online at [caremark.com](https://caremark.com)

- › Kaiser (medical): **(800) 464-4000** or online at [kp.org](https://kp.org)

- › Delta Dental® (dental): **(800) 521-2651** or online at [deltadentalins.com/NXP](https://deltadentalins.com/NXP)

- › VSP® (vision): You do not need an ID card to access vision care services. Inform your vision care provider that you are enrolled in VSP Choice and they can call to confirm your coverage at **(800) 877-7195**. You can access your vision benefit information at [VSP.com](https://vsp.com).

Contact information for all benefit providers can be found on pages [37–39](#) of this guide.

## Who's an eligible employee?

All regular, full-time U.S. employees who normally work at least 20 hours per week are eligible to enroll in a health care plan and other benefits described in this guide. All regular, full-time U.S. employees who normally work at least 35 hours per week are eligible to enroll in the 401(k) Retirement Plan.

## Who's an eligible dependent?

The following individuals qualify as dependents and are eligible for NXP's medical, dental, vision and dependent life insurance benefits.

- › **Spouse:** Your legally recognized spouse, claimed as your federal tax dependent, including a spouse by common-law marriage and a same-sex spouse in states that recognize same-sex marriages.
- › **Domestic partner:** Your same-sex or opposite-sex domestic partner who has lived with you for at least six months, is not a blood relative of yours, is not legally married or in another domestic partner relationship, and is at least 18 years old.
- › **Dependent children:** Your married and unmarried children through the end of the month in which they reach age 26, except for child life insurance. For child life insurance, your unmarried children through the end of the month in which they reach age 26; married children are not eligible for child life insurance regardless of age. Your children include your children by birth, adoption or pending adoption or legal guardianship, stepchildren or children of your domestic partner who live with you, foster children legally

placed by a licensed agency, grandchildren you legally adopt or for whom you are the court-appointed guardian, and children you must cover under a qualified medical child support order (QMCSO). Documentation confirming your covered dependent's eligibility will be requested after enrollment. Please submit the requested documentation in a timely manner to ensure coverage for your dependents. If you have any questions about dependent eligibility or the documentation requirements, contact the NXP Benefits Service Center at **(888) 532-3971**.

- › A Social Security number (SSN) is required for all eligible dependents who will be covered under the NXP medical plan. Please have your dependent's SSN available when you enroll. If your dependent does not have or is not eligible to get an SSN, you can use an individual taxpayer identification number (ITIN or TIN). Please contact the NXP Benefits Service Center at **(888) 532-3971** if you have questions.

## Who's not an eligible dependent?

The following individuals do not qualify as dependents and are ineligible for NXP benefits:

- › Your siblings
- › Your parents and in-laws
- › Grandparents, grandchildren or any other children who are not listed under "Who's an Eligible Dependent?"
- › Aunts, uncles, cousins, nieces, nephews
- › Roommates, boyfriends, girlfriends, friends
- › Former spouses
- › A dependent who is already covered by an NXP plan

Documentation requirements for dependents can be found [here](#).

## Life events after open enrollment

When your life changes, your benefit needs may also change. The Internal Revenue Service (IRS) allows you to make changes to your benefit elections beyond the open enrollment period or your initial new hire enrollment period only if you experienced a life event as defined by the Internal Revenue Code. Please refer to the Summary Plan Description at [nxp.com/benefits](https://nxp.com/benefits) for further details.

You must make the changes to your benefit elections within 30 days from the date of the life event. Benefit elections you make must be due to and consistent with the life event you experienced. The day of the life event is considered day one of the 30-day election period.

**For example, birth of a child:** If your child is born on March 24, the 31-day enrollment period to add your child to your coverage will end on April 23.

Qualified life events include the following:

- › The birth (or legal adoption) of your child — birth certificate required
- › Your legal marriage or divorce — marriage certificate/divorce decree required
- › The death of your spouse or child
- › Dependent spouse starts a new job or is terminated from an existing one
- › You or an eligible dependent loses coverage under another medical plan because you or the dependent has lost eligibility, including the exhaustion of COBRA coverage (the full eligibility period)
- › Coverage under another employer's plan changes due to an open enrollment. Changes to your benefit plans will be effective on the effective date of the employer's benefit plan changes.

To make a qualified life event change, visit [nxp.com/benefits](https://nxp.com/benefits).

## NXP medical plan

### When am I eligible?

You and your eligible dependents have access to coverage as of your NXP start date.

### NXP medical plan options

NXP offers you a choice of three UnitedHealthcare medical and corresponding CVS Caremark pharmacy plans, including a Health Savings Account (HSA)-eligible plan. If you reside in California, you may also have access to Kaiser HMO. The Kaiser HMO is a network many find easy and convenient to use and it helps keep out-of-pocket costs low. You have the flexibility of choosing the health plan that meets the needs for you and your family, both today and into the future.

You may opt out of the NXP medical plan if you prefer not to enroll. However, you must opt out within your 30-day enrollment window.

To access your Personalized Enrollment Checklist, visit [mynxpbenefits.com](https://mynxpbenefits.com).

### Need enrollment support?

If you need help with your enrollment or have questions about your benefits, you can chat with Sofia — your 24/7 personal benefits assistant. You can find her in the MyChoice benefits app or at [mynxpbenefits.com](https://mynxpbenefits.com) (SSO available on [nxp.com/benefits](https://nxp.com/benefits)). Sofia speaks over 20 languages and can answer questions regarding 400,000 benefits topics.

Beginning Jan. 1, 2025, Neurobiological and Autism Disorders will be reclassified from office visits to outpatient services for medical plans 2 and 3. Instead of the plan-level copay, you will pay 10% before deductible.

<sup>1</sup> If you elect family coverage, the family deductible must be met before the plan begins to apply coinsurance towards in-network claims. The family deductible can be met by one family member or a combination of covered family members

<sup>2</sup> If you elect family coverage, the plan begins to apply coinsurance towards in-network claims for an individual once he or she meets their per person deductible. Once those per person deductibles add up to meet the family deductible, the plan begins to apply coinsurance towards in-network claims for everyone in the family.

## Medical Plan 1 (HSA-eligible)

If you're looking for a way to save on taxes or want to save for your health care at retirement, this plan might be just what you need. Medical Plan 1 is an HSA-eligible plan. It covers the same medical services as Medical Plan 2 and Medical Plan 3 (including network preventive care at 100 percent) and offers the same quality care and access to UnitedHealthcare's national provider network. You can see any network provider you choose.

What makes Medical Plan 1 different is that NXP deposits money into your HSA with Fidelity\* to help you pay for your medical expenses, including your deductible and coinsurance amounts. Employees enrolled in employee-only coverage will receive \$500 and those who enroll dependents will receive \$1,000 in NXP contributions (or a prorated amount, based on your enrollment date if you become newly eligible for coverage during the calendar year).

Key features of this unique health care savings vehicle include:

- › When you sign up for the HSA through your benefits enrollment, you will choose the amount you would like deposited into your HSA through pre-tax deductions from your paycheck.
- › You can use your HSA funds to pay for eligible health care expenses during the year, or save your account for future health care needs.
- › You will be issued a [debit card](#) to access funds from your HSA to pay for eligible health care expenses.
- › You own the funds in your HSA, even if you move to another employer.
- › The contributions to your HSA, and their earnings, accumulate tax-free. Once your HSA balance reaches \$1,000, you may invest your account for further growth (fees may apply).
- › If you use the funds solely for qualified health care expenses, you don't ever owe taxes or penalties on the account.

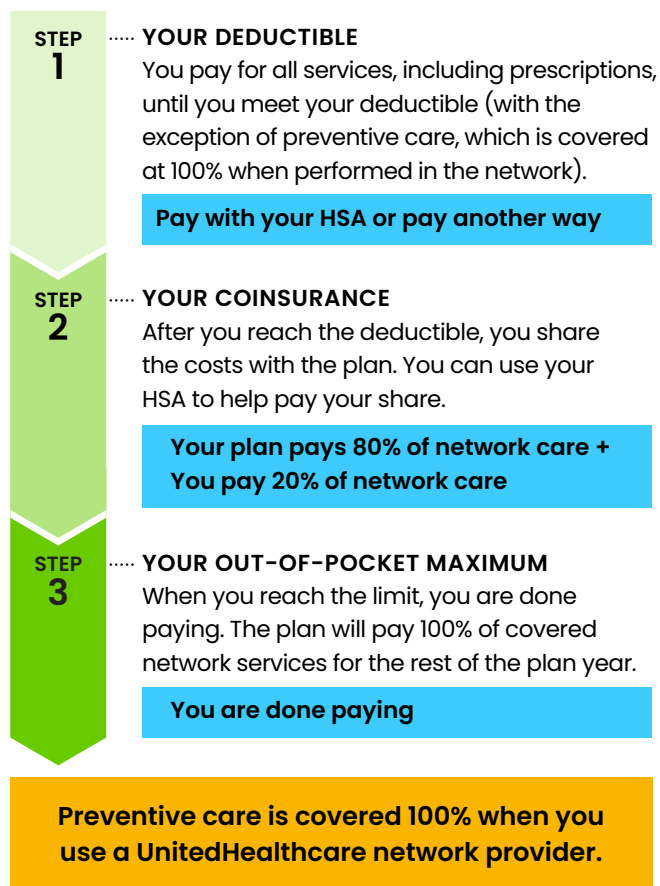

\* You must open your HSA with Fidelity to receive NXP contributions. NXP will not make a deposit into an HSA held by another financial institution.

## HSA eligibility

Since an HSA is a [tax-advantaged account](#), certain restrictions apply, such as:

- › You must be enrolled in a high-deductible health plan (such as Medical Plan 1).
- › You can't be enrolled in Medicare or another government-sponsored medical plan.
- › You can't be claimed as a dependent on someone else's tax return.
- › You can't use a traditional Health Care Flexible Spending Account (FSA). You are, however, eligible to use the Limited Use Health Care Flexible Spending Account (FSA) to cover out-of-pocket expenses for dental and vision. (See [page 18](#) for details.)
- › There are maximum annual contribution limits. (See the chart on [page 13](#).)
- › You'll need to keep receipts to document that your HSA money is spent on qualified health care expenses.

## How Medical Plan 1 (HSA-eligible) works

# 2025 HSA contribution amounts

	Employee-only coverage	Family coverage
IRS HSA contribution limit	\$4,300 Plus \$1,000 catch-up contribution if age 55 or older by year end	\$8,550 Plus \$1,000 catch-up contribution if age 55 or older by year end
NXP HSA contribution*	\$500	\$1,000
Maximum NXP employee contribution (IRS limit minus NXP contribution)	\$3,800	\$7,550

\* For new hires, the NXP HSA contribution is prorated based on the number of months during the year you are covered under Medical Plan 1 (HSA-eligible).

# Kaiser HMO

In addition to the UnitedHealthcare medical and CVS Caremark pharmacy options, California employees have access to Kaiser HMO if they reside within Kaiser's network service area. Kaiser health care providers exclusively serve Kaiser plan members. As a plan member, you can select any Kaiser doctor at any Kaiser facility. You must receive services from Kaiser, or obtain authorization from Kaiser before obtaining care outside the HMO. The Kaiser medical care program gives members access to all of the covered services you need, such as routine care with your own personal plan physician, hospital care, laboratory and pharmacy services, emergency services, urgent care, prescription medications and other benefits. For additional details, please review the [Kaiser Evidence of Coverage for NCAL](#) and the [Kaiser Evidence of Coverage for SCAL](#).

# CVS Caremark pharmacy benefit

Prescription drug benefits under the UnitedHealthcare medical plans are administered by CVS Caremark. The NXP prescription plan offers access to cost-effective medications through retail pharmacies or, for maintenance medications, by mail.

Please refer to the Medical Plan Benefit Comparison chart below for a list of prescription copays and coinsurance. In addition, use the [Formulary Drug List](#) for information about preferred medications.

Need help estimating medication costs? You can call CVS Caremark at **(877) 505-8360** or use these online tools for estimating the cost of prescription drugs under Medical Plan 1, Medical Plan 2 and Medical Plan 3.

The PrudentRx Copay Program allows you to get select specialty medications at no cost to you. Because certain specialty medications do not qualify as “essential health benefits” (EHB) under the Affordable Care Act (ACA), member cost share payments for these medications, whether made by you or a manufacturer copayment assistance program, do not count towards the Plan’s MOOP. A list of specialty medications that are not considered to be EHB can be found [here](#).

## 24/7 Virtual Visits

With Teladoc Health®, Amwell® or Doctor On Demand, you can have an appointment with a doctor online, on your own time. You can even get a prescription, if needed, that you can pick up at your local pharmacy.\* Consider seeing a virtual doctor for:

- › Colds and coughs
- › Sore throats
- › Seasonal flu
- › Allergies
- › Bladder infections
- › Sinus problems
- › Many other minor conditions

This service is ideal for employees on Medical Plan 1, as it allows those employees and their enrolled dependents to see a doctor for \$50 or less per visit. Start your 24/7 Virtual Visit at [myuhc.com/virtualvisits](https://myuhc.com/virtualvisits).

\* Prescription services may not be available in all states.

24/7 Virtual Visits are not an insurance product, health care provider or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. 24/7 Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times or in all locations. Payment for 24/7 Virtual Visit services does not cover pharmacy charges; members must pay for prescriptions (if any) separately. The Designated 24/7 Virtual Visit Provider's reduced rate for a 24/7 Virtual Visit is subject to change at any time.

## The UnitedHealth Premium program

When searching for a doctor or specialist in the UnitedHealthcare network, look for providers designated with two blue hearts on [myuhc.com](https://myuhc.com) or the UnitedHealthcare app. The blue hearts indicate they're a Premium Care Physician within the UnitedHealth Premium® program, which evaluates physicians using evidence-based medicine and national standardized measures. Make sure to choose a Premium Care Physician to get quality, cost-efficient care and a great value.

## Find and compare costs

[myuhc.com](https://myuhc.com) makes it easy to compare costs for providers and services in your network, including doctors, behavioral health resources, hospitals, office visits, labs, convenience and urgent care clinics and more. Before your visit, you can even generate an out-of-pocket estimate based on your specific health plan status. Just sign in to [myuhc.com](https://myuhc.com) or the UnitedHealthcare app to get your personalized estimates.

## UnitedHealthcare behavioral health

Your emotional well-being is just as important as your physical health. Under your behavioral health benefit, you are eligible for inpatient and outpatient care through your medical plan (pre-authorization may be required).

To locate a network provider for behavioral health services, log in to [myuhc.com](https://myuhc.com). Or, call UnitedHealthcare at **(844) 210-5428**.

The UnitedHealth Premium® designation program is a resource for informational purposes only. Designations are displayed in UnitedHealthcare online physician directories at [myuhc.com](https://myuhc.com). You should always visit myuhc.com for the most current information. Premium designations are a guide to choosing a physician and may be used as one of many factors you consider when choosing a physician. If you already have a physician, you may also wish to confer with him or her for advice on selecting other physicians. You should also discuss designations with a physician before choosing him or her. Physician evaluations have a risk of error and should not be the sole basis for selecting a physician. Please visit [myuhc.com](https://myuhc.com) for detailed program information and methodologies.

All UnitedHealthcare members can access a cost estimator online tool at myuhc.com. A mobile version of the cost estimator is available in the UnitedHealthcare app. This tool is not intended to be a guarantee of your costs or benefits. Your actual costs and/or benefits may vary. When accessing the tool, please refer to the Terms and Conditions of Use and Why Your Costs May Vary sections for further information regarding cost estimates. Refer to your health plan coverage document for information regarding your specific benefits.

# Comparison of the different types of FSAs

Plan	Covered expenses	Maximum contribution	How claims are paid
<b>Health Care Flexible Spending Account (FSA)</b>	Medical, pharmacy, dental and vision care expenses not reimbursed by another plan	\$3,300	Full annual contribution is available on your first day of participation
<b>Limited Use Health Care Flexible Spending Account (FSA)*</b>	Dental and vision care expenses not reimbursed by another plan	\$3,300	Full annual contribution is available on your first day of participation
<b>Dependent Care Flexible Spending Account (DCFSA)</b>	Employment-related dependent care expenses not claimed for the federal dependent care income tax credit	\$5,000 per calendar year**	Only amounts already contributed are available

\* If you enroll in Medical Plan 1 and would like to contribute to a Health Care FSA for vision and dental care expenses, you must enroll in the Limited Use Health Care FSA.

\*\* Employees earning over \$200,000 annually can contribute up to \$2,500.

## Health Care Flexible Spending Account

If you elect to participate in the Health Care FSA, you can contribute up to \$3,300 in pre-tax income for eligible expense reimbursements.

- › Any money contributed must be used for expenses incurred in the same calendar year in accordance with IRS guidelines.
- › Health Care FSA funds do not roll over from year to year. You must use your funds by Dec. 31, 2025, or any remaining funds will be forfeited. You have until March 31, 2026, to reimburse yourself for any eligible expenses incurred in 2025.
- › You can change your Health Care FSA election amount during annual enrollment or within 30 days of a qualifying life event.
- › Visit [irs.gov](https://www.irs.gov) for a complete list of covered expenses. Refer to Publication 502, Health Care Expenses.
- › You will receive a debit card in the mail from Fidelity to pay for eligible medical, pharmacy, dental and vision expenses.
- › For your convenience, you can also choose to turn on the auto-reimbursement feature for medical expenses only to have eligible medical expenses auto-submitted for payment from your Health Care FSA.
- › You can view your account balance from [NetBenefits.com](https://netbenefits.com).

## Limited Use Health Care Flexible Spending Account

The Limited Use Health Care FSA is available if you are enrolled in Medical Plan 1. Participating in a Limited Use Health Care FSA helps you maximize the amount you can save pre-tax for dental and vision expenses. You can contribute up to \$3,200, in pre-tax contributions for eligible dental and vision expenses. There are limits on the expenses you may submit to your Limited Use Health Care FSA. Enroll and maximize your tax advantage if:

- › You're expecting to incur significant dental and/or vision expenses.
- › You don't want to use your HSA for dental and vision care expenses.

Similar to the Health Care FSA, Limited Use Health Care FSA funds do not roll over from year to year. You must use your funds by Dec. 31, 2025, or any remaining funds will be forfeited. You have until March 31, 2026, to reimburse yourself for any eligible expenses incurred in 2025.

You can change your Limited Use Health Care FSA election amount during annual enrollment or within 30 days of a qualifying life event.

Visit [irs.gov](https://www.irs.gov) for a complete list of covered expenses. Refer to Publication 502, Health Care Expenses.

To learn more about Flexible Spending Accounts, view this [Quick Start Guide](#).

## Dependent Care Flexible Spending Account

A Dependent Care FSA lets you use pre-tax dollars to pay for eligible expenses related to care for your child, disabled spouse, elderly parent or other dependent who is physically or mentally incapable of self-care, so you can work or your spouse (if you're married) can work, look for work or attend school full time. As a Dependent Care FSA participant, you can contribute up to \$5,000 in pre-tax contributions for qualified dependent care expense reimbursements. Employees earning over \$200,000 annually can contribute up to \$2,500.

Any money contributed to this account must be used for expenses incurred in the same calendar year or the money is forfeited.

You can change your Dependent Care FSA election amount during annual enrollment or within 30 days of a qualifying life event.

Eligible Dependent Care FSA expenses include:

- › A qualified child or elder care center
- › A babysitter or nanny
- › After-school care
- › Registration fees
- › Nursery school tuition
- › A relative who provides care

Visit [irs.gov](https://www.irs.gov) Publication 503 for a complete list of covered eligible dependent care expenses.

# Medicare (Turning 65)

If you are eligible for NXP Retiree Medical and want to learn more about the Aon Retiree Health exchange, please review our [NXP Age 65+ Retiree Information Sheet](#).

**We frequently receive questions regarding what actions employees should take when they turn 65. We've put together information for you from [medicare.gov](#). However, please talk to a certified Medicare advisor as NXP is not a certified expert and the following information should not be construed as legal advice.**

## Delaying Medicare Parts A and B

If you turn 65 while still actively employed at NXP, you can delay Medicare Parts A and B without penalty if you enroll during a Special Enrollment Period and provide written proof of creditable drug coverage.

## Is Medicare Primary?

No, if you are enrolled in the active NXP medical plans, NXP plans are primary and Medicare is secondary.

## Enrolling In Only Part A

You may be able to delay enrollment in Part A (Hospital Insurance) and Part B (Medical Insurance) without a lifetime late enrollment penalty if you choose to enroll later.

However, there are exceptions; please check if you are eligible for Premium-free Part A, which would require you to enroll when you are first eligible. If you have a Health Savings Account (HSA), be aware that once you enroll in any part of Medicare, you cannot continue to make contributions to your HSA. Please contact a Medicare advisor for further clarification on limitations to participating in an HSA.

## What if I am over the age of 65 and eligible for Medicare?

COBRA coverage does not count toward creditable prior coverage for Medicare Part B, which means that when your COBRA ends and you decide to sign up for Medicare Part B after the date you originally could have joined, you will face a 10% per year for life penalty on the cost of Part B.

If you have COBRA when you become Medicare-eligible, your COBRA coverage usually ends on the last day of the month prior to your 65th birthday.

You should enroll in Part B immediately because you are not entitled to a Special Enrollment Period (SEP) when COBRA ends. Your spouse and dependents may keep COBRA (if they are not also Medicare-eligible), regardless of whether you enroll in Medicare during that time. If your spouse has COBRA when they become Medicare-eligible, their COBRA coverage will end the last day of the month prior to their 65th birthday.

## What Happens When My Spouse Turns 65?

If you have a spouse or domestic partner on your plan who is turning 65, their NXP coverage will remain active and your NXP plan will be primary.

If you are a terminated employee enrolled in an NXP medical plan through COBRA when you turn 65:

- › COBRA does not qualify as a group health plan as defined by the IRS.
- › You likely need to enroll in Part A and Part B when you're first eligible to prevent incurring lifetime penalties and a gap in Medicare coverage.

## Vision care services

Routine eye care services are included in the NXP vision plan for you and your covered dependents. Services include comprehensive vision examinations, prescription eyeglasses (lenses and frames) or contact lenses. To take advantage of the vision plan, you simply enroll yourself and your eligible dependents. Then see a VSP Choice network doctor or affiliate provider and pay your share of the cost, as described in the chart below. You get the most value from your vision plan benefits when you see a VSP Choice network doctor or affiliate provider. VSP offers two convenient ways to locate these providers near your home or work.

Visit [VSP.com](https://www.vsp.com). Once you register and create a username and password, you can search for a VSP Choice network doctor or affiliate provider by name or location. Or, call VSP's Member Services **(800) 877-7195**.

<b>Supplemental safety glasses</b>	\$250 Frame allowance for supplemental safety glasses with \$20 copay	Every calendar year, employees-only

# Dental services

The NXP dental plan offers you and your family preventive, restorative and orthodontic services. While you do not have to visit a Delta Dental PPO & Premier network dentist to receive dental benefits, you can take advantage of negotiated rates and increased savings by seeing a Delta Dental PPO & Premier network provider.

The annual maximum benefit for preventive, basic and major services is \$2,000 per year, per person. Your dental benefits include two exams and two cleanings each year, X-rays (subject to certain limits) and more. For most other dental services, benefits begin after you meet the annual deductible (\$50 for employee-only; \$150 for all other coverage levels).

To find a network dentist, visit [deltadentalins.com/NXP](https://deltadentalins.com/NXP) and review the Delta Dental provider listing.

## Dental services through Delta Dental PPO & Premier

The table below reflects your share of the cost. [See U.S. Benefits Rate Sheet for pay-period contributions.](#)

Service	Coverage level
Preventive services	Covered at 100% of negotiated fees, no deductible
Basic dental services	You pay 20% of negotiated fees, after you've satisfied the deductible requirement
Major dental services	You pay 50% of negotiated fees, after you've satisfied the deductible requirement
Deductible	\$50 per person, per calendar year, up to \$150 for family
Annual maximum	\$2,000 annual maximum (per covered person)
Aggregate lifetime maximum	\$2,500 lifetime maximum for orthodontics (per covered person)

## Wellness programs

### Wellbeing@NXP

Wellbeing@NXP will empower NXP employees to lead happier and healthier lives by engaging them in personal and rewarding ways throughout their health and well-being journeys.

Visit [nxp.com/pages/wellbeingnpx:WELLBEING-NXP](https://nxp.com/pages/wellbeingnpx:WELLBEING-NXP) to get started.

### Gym reimbursement

You are eligible to receive up to \$240 (less applicable taxes) per year as reimbursement for fitness activities. Examples include a membership to a local gym or fitness center, including NXP Activity Centers (where available), or participation in approved fitness, sports and health education-related activities. For more information, review the details on [nxp.com/benefits](https://nxp.com/benefits).

### NXP Activity Center membership

Many of our NXP sites offer onsite fitness facilities. Contact your local activity center for more information. The contact information for the NXP Activity Centers is on [page 37](#) of this guide.

### Preventive care

Staying healthy is the best way to keep your medical costs down. That's why several convenient preventive care options are available to you, including:

- ▶ No-cost flu shots
- ▶ Onsite biometric screenings

In addition to the care noted above, network preventive care coverage is available through UnitedHealthcare and Kaiser at no cost. This coverage includes routine screenings, checkups and generic contraceptives. It also includes counseling to help you prevent illness, disease or other health problems. For details, visit [uhc.com/preventivecare](https://uhc.com/preventivecare) or [kp.org](https://kp.org).

### Quit For Life

Smoking can take a big toll on your health, your quality of life and your budget. According to the Surgeon General, quitting tobacco is the single most important thing smokers can do to improve life expectancy and quality of life. If you or your spouse/domestic partner are a tobacco user, we offer a tobacco cessation program at no extra cost to you. The Quit For Life® program lets you work with a certified coach for one-on-one support to stay on track, so you can stop using tobacco for good. If you complete the program, you can avoid the medical tobacco surcharge. To get started, contact UnitedHealthcare at **(844) 210-5428**.

### Wellness Incentive Program

One of the key pillars of NXP values is growth, focused on the personal growth of our employees from every perspective, including physical, mental and financial wellness. All U.S. full-time NXP employees are encouraged to participate in the voluntary two-step process to earn a \$300 reduction in medical premiums for the following year. For more information, review the details on [nxp.com/benefits](https://nxp.com/benefits).

Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. Other routine services may be covered under your plan, and some plans may require copayments, coinsurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.

The Quit For Life program provides information regarding tobacco cessation methods and related well-being support. Any health information provided by you is kept confidential in accordance with the law. The Quit For Life program does not provide clinical treatment or medical services and should not be considered a substitute for your doctor's care. Please discuss with your doctor how the information provided is right for you. Participation in this program is voluntary. If you have specific health care needs or questions, consult an appropriate health care professional. This service should not be used for emergency or urgent care needs. In an emergency, call 911 or go to the nearest emergency room.

# Disability and life insurance

## Disability insurance

NXP provides you with short-term disability insurance. This valuable benefit can replace a portion of your income for injuries or illnesses that keep you out of work up to 180 days. Under the NXP short-term disability policy, you may receive:

- › Benefits starting on the eighth calendar day after you become disabled
- › 75 percent of your eligible compensation for the first 90 calendar days
- › 60 percent of your eligible compensation for the next 90 calendar days

You can elect to take advantage of the short-term disability buy-up option to increase your benefit. This option:

- › Provides an additional 15 percent of income replacement
- › Costs \$0.16 per \$100 of covered compensation

Short-term disability buy-up can be changed only during annual enrollment.

Long-term disability is available after 180 days of disability at no cost to you. You receive 60 percent of your base salary, up to \$15,000 per month. California benefits may vary based on state laws.

## Paid leave benefits

Maternity leave is provided at 100 percent salary pay during your approved short-term disability claim for six weeks and an additional six weeks paid at 100 percent salary through parental leave (outlined below) for a total of 12 weeks paid leave benefit.

- › Employees must work at NXP for 90 days in order to be eligible
- › Must be taken continuously and completed within the first six months of birth
- › Maternity leave will run concurrent to NXP's Short-term Disability and State leave laws

Parental leave will be covered up to six weeks paid at 100 percent salary.

- › Employees must work at NXP for 90 days in order to be eligible
- › Must be taken continuously and completed within the first 12 months of birth
- › Foster/adoption needs to be taken within the first three months of placement with the employee
- › Parental leave will run concurrent to State leave laws

## Business travel accident and AD&D insurance

In addition to basic life insurance, NXP also provides you with extra protection in case of accidental death, dismemberment or other accidents while traveling for business. There is no cost to you for this program and no need to enroll. Coverage is provided under two separate plans: the Accidental Death and Dismemberment (AD&D) Insurance Plan and the Business Travel Accident (BTA) Insurance Plan. You'll see your specific coverage levels at [npx.com/benefits](https://npx.com/benefits).

## Basic life insurance

NXP employees scheduled to work at least 20 hours per week will receive life insurance in the amount of two times their annual eligible compensation, rounded up to the nearest \$100. Basic life insurance is paid by NXP — there is no charge to you. Make sure your beneficiaries are up-to-date. [Log in](#) and elect beneficiaries for your Life and AD&D Insurance benefits.

As a participant in the basic life insurance program, you have access to the following valuable tools and resources:

## Online will preparation service

This interactive resource provided through MetLife will assist you in preparing a will, living will or power of attorney. For more information, visit [willscenter.com](https://willscenter.com).

## Delivering the Promise

Delivering the Promise is a service designed to help beneficiaries sort through the details and serious questions regarding life insurance claims and future financial needs. MetLife representatives are available to provide in-person or telephone assistance to beneficiaries and their family members, in areas such as:

- › Filing life insurance claims and government benefits
- › Locating counseling and support resources
- › Identifying important issues, including outstanding documents that need to be updated
- › Planning for current and future financial needs

## Grief counseling

This service is through MetLife, and is designed to assist you, your dependents and your beneficiaries with any situation you perceive as a major loss. To speak to a licensed professional counselor, call **(888) 319-7819**.

## Supplemental life insurance

To increase the amount of your life insurance, you may enroll in supplemental life insurance. The cost of this optional coverage is based on your age, your salary and tobacco use. (See chart below.)

You can elect supplemental life insurance coverage of one to eight times your annual eligible earnings, up to \$1,500,000. Depending on the coverage you select, you may be required to provide evidence of insurability, which could include a physical exam.

## Legal assistance plan

NXP's legal assistance plan, administered by MetLife Legal, offers you, your spouse/domestic partner and your dependents easy and low-cost access to attorneys for advice and consultation on a variety of personal legal issues.

When you use a MetLife network attorney for covered services, all attorney fees are covered by the legal plan. There is no limit to the number of covered services (including telephone advice, office consultations and beginning-to-end trial representation) you can receive as long as you

remain enrolled in the plan. Here is a brief list of covered services:

- › Family and personal
- › Money matters
- › Vehicle and driving
- › Home and real estate matters
- › Civil lawsuits
- › Wills, estate and future planning
- › Elder care

**Please note:** Some matters, including employment-related matters, are excluded.

You also have the option to add coverage for your parents under the MetLife Legal plan. Should you choose to elect the Parents Buy-Up option, your parents will also have access to some of the services covered under this plan.

## Savings and wealth

NXP's 401(k) Retirement Plan is designed to help you build your wealth through long-term savings and accumulate the funds you'll need when you're no longer working.

### 401(k) Retirement Plan features

- › Immediate eligibility
- › Automatic enrollment with automatic escalation
- › Pre-tax, Roth and traditional after-tax employee contributions
- › Catch-up employee contributions
- › Company match
- › Immediate vesting
- › Roth in-plan conversion
- › Auto-escalation feature allowing you to automatically increase your contributions by 1 percent or more each year
- › A choice of investment options
- › Loans or hardship withdrawals when you need access to your money while still working at NXP

### Additional features

- › You're automatically enrolled to contribute 5 percent of your eligible compensation on a pre-tax basis unless you elect to change your contribution amount or choose not to participate within the first 35 days of your employment. If you are auto-enrolled in the Plan, you will be invested in the age-appropriate target retirement date fund and your contribution percentage will automatically increase 1 percent each year until you are contributing 15 percent of your eligible compensation. Certain individuals (e.g., contractors, consultants or leased employees) are not eligible to participate in the Plan.
- › You may contribute up to 75 percent of your eligible compensation, not to exceed the IRS limit.
- › If you're age 50 or older during the plan year, you may make catch-up contributions. If you are between ages 60 and 63, you will be able to contribute additional catch-up based on the annual limits.
- › You'll have continuous access to your account statements.

## Employee contributions

You can contribute to the 401(k) Retirement Plan in any combination of pre-tax contributions, Roth contributions and traditional after-tax contributions. The amount you can contribute is limited by the IRS. For current limits, visit [npx.com/benefits](https://npx.com/benefits).

	Pre-tax Contributions	Roth Contributions	After-tax Contributions	Employer Match <sup>4</sup>
<b>Are contributions taxed when made?</b>	No	Yes	Yes	No
<b>Are contributions taxed when distributed?</b>	Yes	No <sup>1</sup>	No <sup>2</sup>	Yes
<b>Are earnings taxed when distributed?</b>	Yes	No <sup>1</sup>	Yes <sup>2</sup>	Yes
<b>What are the IRS limits?</b>	\$23,500 for 2025 for employee pre-tax and Roth contributions			
	\$70,000 for 2025, including employee pre-tax, Roth, after-tax and employer match contributions			
<b>What is the catch-up contribution for a person age 50-59 or 64 and older?<sup>3</sup></b>	An additional \$7,500 for 2025			
<b>New for 2025: What is the catch-up contribution limit for a person ages 60 – 63?<sup>3</sup></b>	\$7,500 + an additional \$3,750 totaling \$11,250			

<sup>1</sup> A distribution from a Roth 401(k) is tax free and penalty free, provided that the five-year aging requirement has been satisfied and one of the following conditions is met: age 59½, disability, or death.

<sup>2</sup> A partial distribution from a qualified plan must include a proportional share of the pre-tax and after-tax amounts in the account. Therefore, while the portion of your distribution associated with your after-tax contribution is not taxable, the portion of your distribution associated with any pre-tax contributions or earnings on pre-tax or after-tax contributions is taxable.

<sup>3</sup> A catch-up contribution may be made on a pre-tax and/or Roth basis and is in addition to the pre-tax/Roth \$23,500 limit and \$70,000 additions limit, which applies to the total contributions made to your 401(k) account (including pre-tax, Roth, after-tax, and employer contributions).

<sup>4</sup> Employer match contributions are taxed the same whether an employee contributes pre-tax and/or Roth.

## NXP matching contribution

NXP will match your pre-tax and Roth contributions, dollar for dollar, up to 5 percent of your eligible compensation. And, you're immediately vested in the NXP company match. In addition, if you do not receive the maximum match you are eligible for during the year, NXP will make a "true-up" match contribution to your account in January of the following year.

Let's say you contribute 5 percent (\$2,500) of your \$50,000 salary to your 401(k). NXP will match your \$2,500 dollar for dollar (or another \$2,500), for a total annual contribution of \$5,000 (yours and NXP's).

NXP does not match traditional after-tax contributions.

## Roth in-plan conversion

A Roth in-plan conversion allows you to convert all or a portion of your pre-tax and/or traditional after-tax savings to Roth within the NXP 401(k) plan.

You'll owe ordinary income tax on the pre-tax money converted to Roth in the tax year of the conversion. If you convert after-tax money to Roth, you'll owe taxes on the earnings in the year in which the conversion is made. For traditional after-tax, you can also set up automatic conversions.

To learn more, visit [netbenefits.com](https://netbenefits.com). To elect a Roth in-plan conversion, call Fidelity at (844) 697-4015.

## Investment options

You decide how to invest your 401(k) account balance. Your account balance includes your contributions and any contributions made by NXP, adjusted for any investment returns or losses.

As with any investment, there are no guarantees. The funds in the Plan are subject to fluctuations in value as financial markets respond to economic, social and political conditions.

You can change your investment election or transfer balances between investment funds at any time, within the trading policy guidelines.

## Self-directed brokerage account

You may invest a portion of your 401(k) account balance in the self-directed brokerage account, Fidelity BrokerageLink®. Fidelity BrokerageLink provides you the opportunity to invest in a broad range of investment options beyond those offered directly through the Plan.

## Loans and withdrawals

Although the purpose of the 401(k) is to help you save for retirement, loans and, under some circumstances, withdrawals are available to help you meet your financial needs.

- › You may have only one loan from the Plan at a time.
- › The minimum loan amount is \$1,000.
- › The maximum loan amount is 50 percent of your vested account balance or \$50,000 minus your highest outstanding loan balance in the preceding 12 months, whichever is less.
- › There is a \$50 fee for each new loan. You repay yourself, with interest, at the prime rate + 0.5 percent through payroll deductions.

- › Withdrawal options include, but are not limited to: age 59 1/2 withdrawals, age 70 1/2 withdrawals, hardship withdrawals, withdrawals for qualified birth/adoptions, emergency expenses, federally declared disasters and domestic abuse.

## Access to your money

You have various payment options to receive your account balance when you leave NXP.

- › You can receive a lump sum payment of some or all of your account balance.
- › You can request systematic withdrawals.
- › You can roll over some or all of your funds to another tax-qualified employer-sponsored plan, or a traditional or Roth individual retirement account (IRA).
- › You may leave your funds in the NXP 401(k) Retirement Plan, subject to minimum distribution requirements defined by the IRS.

# Employee Stock Purchase Plan

The NXP Employee Stock Purchase Plan (ESPP) allows employees to purchase NXP stock at a 15 percent discount. To access more information, go to the [NXP ESPP SharePoint site](#). The purchase price will be 85 percent of the closing price of NXP stock on the last trading day of the offering period. By enrolling through payroll deductions, you can have purchases made twice a year and can build your wealth through ownership of NXP stock.

## Plan eligibility

Generally, all regular full-time and part-time employees of NXP or one of its group companies are eligible to enroll. Temporary employees, contractors and executives are not eligible.

## Participating in the Plan

- › You can enroll during the months of January and July for the upcoming offering period.
- › Employees who become eligible to enroll after the end of an enrollment period must wait until the next enrollment period to enroll.
- › You can elect to save a percentage of your gross (pre-tax) base salary through payroll deductions. This contribution rate can be from 2 percent to 10 percent of your base salary, and cannot be increased or decreased during the offering period.
- › The contribution rate percentage is withheld each pay period.
- › NXP designates E\*TRADE® from Morgan Stanley to administer participant accounts online and provide brokerage services. All shares purchased will be deposited in the participant's online E\*TRADE account.

- › The Plan provides for "Automatic Enrollment" from offering period to offering period — meaning that participation continues at the same contribution percentage rate for consecutive offering periods, until a participant withdraws or suspends their participation. This is also referred to as an "evergreen election."
- › Participants may suspend contributions during an offering period by logging in to your E\*TRADE account and electing to Suspend Contributions. Previous savings will still be applied toward the purchase.
- › Participants may withdraw at any time during an offering period, stopping payroll deductions and canceling any purchase possibilities for that offering period. All savings withheld for that period will be refunded. Withdrawals must be made at least 15 days prior to the purchase date by logging in to your E\*TRADE account and electing to withdraw.
- › Upon suspension or withdrawal, you will not be automatically re-enrolled for the next offering period.

At the end of the offering period, the savings you have accumulated over the six-month period are used to purchase NXP shares at a 15 percent discount. The maximum savings amount per calendar year — allowed by tax laws governing this plan — is \$21,250 USD.

This means that with the 15 percent discount in the purchase price, you can purchase up to \$25,000 USD of NXP stock value for 85 percent of the cost.

There is no requirement in the Plan to own the stock for any length of time before you sell or dispose of it. However, to take advantage of any favorable capital gains tax rates, stock typically does need to be held for a specified period of time to qualify for lower capital gains tax rates. Please confer with your personal tax advisor about the plan.

## Offering periods

There are two offering periods every year, each lasting six calendar months:

1. March to August
2. September to February

Initial participation begins the first full six-month offering period following eligibility qualification. There is no minimum service requirement. Withholding amounts are applied to purchase NXP shares twice a year.
